

# D400 - Ordering Codes

D400	Standard fail safe digital positioner
D400IS	Intrinsically Safe
D400NI*	Non-Incendive
D400EX	Explosion Proof
<b>Action/Actuator</b>	
S	Single acting
D	Double acting
<b>Connections</b>	
N	NPT
G	Metric
<b>Spindle</b>	
D1	Namur
D2	1/2" square
D3	3/8" square
D4	Round-linear
D5	Double D
D6	.344" Square
DX	No spindle
<b>Communications</b>	
NO	No communication - not available with EX units
H	Hart
FB	Foundation Fieldbus
PA	Profibus
<b>Options</b>	
S2	Micro switches - not available with IS/NI units
Prox-NC	Proximity switch normally closed
4/20	4/20 transmitter - not available with BUS units
FF	Fail freeze
DLS	Digital Limit Switches

Example: D400-D-N-D1-H-4/20

Positioner	Action	Connections	Spindle	Communication	Options
D400	D	N	D1	H	4/20

D400 standard positioner, double acting, NPT threads, D1 spindle, Hart communication, 4/20 transmitter feedback

\*NI unit does not offer the standard visual indicator
